The week after next let's sit down and have a very long briefing on this. Please don't submit anything to OECA absent my review.

As you know I have some thoughts that I may share with Susan before the end of this week.

Thanks,

Doug

Subject: FW: Midyear Data Review -- internal/confidential

Friends,

At my request, Larry Starfield just sent the attached midyear to midyear (March 31) comparison to the enforcement directors and division directors in the Regions asking if the data for their Region are correct and to help us understand the numbers. These numbers only reflect half of the year.

Deliberative Process / Ex. 5

I have sent an invite to have a conversation with you about these numbers next Wednesday, June 27.

Thanks,

Susan

Enforcement Directors, Regional Program DDs (Regions 3, 4, 5, and 7), and OCE Division Directors:

We've been comparing our FY2018 mid-year enforcement and compliance numbers to our FY2017 mid-year numbers.
